

Call for Participation

We invite you to join us in **International Conference on Computer Science and Software Engineering (CSSE 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computer Science, Computer Engineering, Information Technology and Software Engineering. The Conference looks for significant contributions to all major fields of the Computer Science and Information Technology in theoretical and practical aspects. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of CSSE 2023 include:

- International Conference on Artificial Intelligence and IoT (AIIoT 2023)
- International Conference on Embedded Systems and VLSI (EMVL 2023)
- International Conference on Security & Applications (SECURA 2023)
- International Conference on Managing Value, Supply Chains and Public Sector Information Technology (MVSCIT 2023)
- International Conference on Education & Technology (EDUT 2023)
- International Conference on NLP & Signal Processing (NLPSIG 2023)

Registration Participants

Non-Author / Co-Author / Simple Participants (no paper)

100 USD (With proceedings)
